

CURRICULUM VITAE

Personal Information

Name & Surname : Abdolhamid Zokaei
Nationality : Iranian
Date of Birth :24/5/1967
Designation : Assistant Professor of Cardiac Anesthesiology
Department : Kermanshah University of Medical sciences
Address : Imam Ali Hospital, Kermanshah University Of Medical Sciences
Cell phone : +989121905710
Email : abdolhamidzokaei96@gmail.com

Education

- ❖ MD: Isfahan University of Medical sciences, 1985/9/22 to 1992/9/22
- ❖ _Anesthesiology and intensive care: Isfahan University of Medical Sciences, 1995/9/23 to 1998/9/22
- ❖ Fellowship of Cardiac Anesthesiology: Shahid Rajaei Hospital, Iran University of Medical Sciences , Tehran, 2002/4/6 to 2003/10/8

Professional experience

- ❖ Assistant Professor of General Anesthesiology at Taleghani hospital of Kermanshah University of Medical Sciences, Kermanshah district, Kermanshah, Iran, 11/1998 to 3/2002
- ❖ Assistant Professor of cardiac Anesthesiology at Imam Ali hospital of Kermanshah University of Medical Sciences, Kermanshah district, Kermanshah, Iran, 11/2003 until now
- ❖ Director of ICU ward of heart surgery , Imam Ali heart center; 2011 until now
- ❖ Director of Respiratory care and CPR of Imam Ali Hospital, 2010 until now
- ❖ Director of ICU ward of Taleghani Hospital , Kermanshah, 1999 to 2001

Honors & Awards

- ❖ Achieving 4th rank of specialized Board of Anesthesiology and Intensive Care, 1998
- ❖ Achieving Third rank of cardiac anesthesia fellowship course, Shahid Rajaei cardiovascular medical center of Tehran, 2001

Published Paper in International Journal

- ❖ Ventricular septal necrosis after blunt chest trauma, Fereidoun Sabzi, Mojtaba Niazi, Abdolhamid Zokaei. Journal of Injury and Violence Research, Vol 4, No 2 (2012)
- ❖ Predictors of atrial fibrillation following coronary artery bypass grafting .Fereidoun Sabzi, Abdolhamid Zokaei, Abdolrasoul Molodi. Clinical Medicine Insights: Cardiology. 2011 ;5 :67-75

- ❖ Congenital Aneurysm of the Left Atrial Appendage with Left Superior Vena Cava. Abdolhamid Zokaei & Fereidoun Sabzi. *Clinical Medicine Insights: Therapeutics* 2011:3 , 365-368
- ❖ Intra-Aortic Balloon Pump Entrapment in a Nonatherosclerotic Common Iliac Artery. Fereidoun Sabzi, Abdolhamid Zokaei and Abdolrasoul Molodi. *Open Journal of Cardiovascular Surgery* 2011:4 5-7
- ❖ Factors Predicting Coronary Sinus Rupture Following Cannula Insertion for Retrograde Cardioplegia, Fereidoun Sabzi & Abdolhamid Zokaei, *Clinical Medicine Insights: Cardiol*, 2012:61-6
- ❖ Anesthetic Management in Complex Arch Surgery: Debranching of Innominate and Left Common Carotid Arteries in Extensive Aortic Dissection without Cardiopulmonary Bypass. Moradi , sabzi .Zokaei, Hemmati. *Journal of Tehran University Heart center*. 2014:85-89
- ❖ The Effect of Various Amount of Heparin on Analysis of Arterial Blood Gas in Adult Patients Undergoing Open Heart Surgery . Abdolhamid Zokaei, Nahid Aghdaei, Sara Joreirahmadi. *Medwell Journals. Research Journals of Medical Sciences* 2016:191-193
- ❖ The Comparative Study of Adding Ketamin to Pre-Operational Bupivacaine Infiltration on Pain Relief Post Tonsillectomy. Abdolhamid Zokaei & Sara Joreirahmadi. *Medwell Journals. Research Journals of Medical Sciences* 2016:135-138
- ❖ Noninvasive Pressure Control Inverse Ratio Ventilation (NIPCI RV) Versus Conventional Oxygen Therapy for Treatment of Acute Cardiogenic Pulmonary Edema. Abdolhamid Zokaei & Sara Joreirahmadi & Naser Hemmati. *Medwell Journals. Research Journals of Medical Sciences* 2016:449-452
- ❖ The Effect of Sodium Bicarbonate Versus Tris-Hydroxymethyl Aminomethane on Improvement of Metabolic Acidosis in Patients Post Coronary Artery Bypass Graft Surgery. Nahid Aghdaei, Sara Joreirahmadi, Khosro Farhadi & Abdolhamid Zokaei. *Medwell Journals. Research Journals of pharmacology*. 2017:1-5

- ❖ Right atrial thrombus, aortic regurgitation, coronary artery stenosis and chylous plural effusion in Anti-Phospholipid syndrome: a case report of Systemic Lupus Erythematosus. Abdolhamid Zokaei, Feridoun Sabzi, Sara Joreirahmadi. Imam Ali Heart Center, Kermanshah University of Medical Sciences, Kermanshah, Iran. *Acta Medica Mediterranea*, 2016, 32: 973

Papers Presented in Conferences/ Seminars

- ❖ Abdolhamid Zokaei, Naser Hemati, Mojtaba Niazi, "Examination of the effect of Tranexamic Acid in children's bleeding after tetralogy of fallot total correction surgery", 9th Nationwide Congress of Anesthesia and Resuscitation, Mashhad university of medical sciences, 11/2006
- ❖ Abdolhamid Zokaei, Naser Hemati, Mojtaba Niazi, "Examination of the results of using non-invasive ventilation method in cardiovascular intensive care unit at Imam Ali Hospital of Kermanshah", 2nd nationwide congress of Anesthesia and Critical care in cardiac surgeries, Yazd, 05/2009
- ❖ Abdolhamid Zokaei, Naser Hemati, Mojtaba Niazi, "Examination of the preventive factors in long term intubation after Coronary artery bypass surgery at Imam Ali Hospital of Kermanshah", 10th Nationwide Congress of Anesthesia and Resuscitation, Tabriz, 10/2009

POSTERS

- ❖ Sara Joreirahmadi, Abdolhamid Zokaei "Comparison of the effect of anesthesia with Midazolam-Fentanyl versus Propofol-Remifentanyl on bispectral index in patient undergoing coronary artery bypass graft", 4th International cardiovascular congress, 03/2015
- ❖ Mojtaba Niazi, Abdolhamid Zokaei, Naser Hemati, "Comparison of the effects of recovery from neuromuscular relaxation after cardiac surgery between two muscle relaxants of Pancuronium and Atracurium", 2nd nationwide congress of Anesthesia and Critical care, Tehran, 02/2014

- ❖ Abdolhamid Zokaei, Naser Hemati, Mojtaba Niazi, "The study of predictive factors of gastrointestinal complications after coronary artery bypass graft surgery at Imam Ali Hospital of Kermanshah", 10th Nationwide Congress of Anesthesia and Resuscitation, Tabriz, 10/2008
- ❖ Abdolhamid Zokaei, Mojtaba Niazi, Naser Hemati, "The study of relationship between hospital infections and survival in patients with exacerbated COPD following coronary artery bypass graft surgery using non-invasive ventilation (NIV) at Imam Ali Hospital, Kermanshah" 10th Nationwide Congress of Anesthesia and Resuscitation, Tabriz, 10/2008
- ❖ Naser Hemati, Abdolhamid Zokaei, Mojtaba Niazi, "Lactate serum effect at the time of coronary surgery using two methods of off pump and On-pump CABG at Imam Ali Hospital of Kermanshah", 9th Nationwide Congress of Anesthesia and Resuscitation, Mashhad, 11/2006
- ❖ Abdolhamid Zokaei, Mojtaba Niazi, Naser Hemati, "Effect of prescribing celecoxib in the indolence after the coronary surgery", 2nd international congress of Anesthesia and Critical care, Tehran, 02/2004
- ❖ Abdolhamid Zokaei, Naser Hemati, Mojtaba Niazi, "Fast-Track anesthesia method used in cardiac surgery; using Remifentanil as a substitute for Sufentanil when being unconscious and Propofol, Atracurium at Imam Ali Hospital-Kermanshah", 2nd nationwide congress of Anesthesia and Critical care, Tehran, 02/2004
